

**Amendments To The Drawings:**

**Please include the 3 Photographic Figures that should be part of this file**

**Remarks**

This Supplemental Amendment is in addition to the response filed April 16, 2008 to the Office Action dated October 17, 2007. The applicant is adding new claims 18-19. The smooth respectively non-porous surface is originally disclosed in the photographic representations of this application.

It is noted that the application published without the three (3) photographs that are part of the priority application PCT/EP03/005338. Please re-publish the application or at a minimum ensure that the patent issues with the photographs. The photographs are attached as a courtesy.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
